Staff

The image shows a screenshot of a software window titled "Update Staff". The window has a standard Windows-style title bar with a close button (X). Inside the window, there is a warning message: "Warning: All passwords are visible." Below this, there are four main input sections: "Enter or Select username:" with a dropdown arrow (labeled 612), "Password:" (labeled 602), "Select Access Level:" with a dropdown arrow (labeled 604), and "Password Verification:". At the bottom, there are two more input fields: "Name:" (labeled 608) and "Employee ID:" (labeled 606). On the right side of the window, there is a vertical stack of buttons: "Add/Update", "Delete User", "View All", and "Done". Below these buttons is a small icon of a person with a checkmark, labeled "Staff" (labeled 610). A dashed line labeled 600 points to the overall window area.
